### ACTS 16:1-5 NRSVUE

Paul went on also to Derbe and to Lystra, where there was a disciple named Timothy, the son of a Jewish woman who was a believer, but his father was a Greek. He was well spoken of by the brothers and sisters in Lystra and Iconium. Paul wanted Timothy to accompany him, and he took him and had him circumcised because of the Jews who were in those places, for they all knew that his father was a Greek. As they went from town to town, they delivered to them for observance the decisions that had been reached by the apostles and elders who were in Jerusalem. So the churches were strengthened in the faith and increased in numbers daily.
