OUTREACH CHRISTIAN PRESCHOOL

New Albany United Methodist Church
P.O. Box 394 470 Market Street
New Albany, Ohio 43054
(614) 855-4100

ocpnapreschool@gmail.com

Lynn Reid and Kristen Pietro, Directors

The philosophy of our preschool is distinctly Christian and will place no restrictions as to race, color, religion, sex or national origin, or disability in violation of the Americans with Disabilities Act of 1990, 104 Stat. 32, 42 U.S.C. 12101 et seq. that will affect the eligibility of students or their parents. No doctrine will be taught, but Christian values will be shared.

The daily sessions of our preschool will provide activities and opportunities to promote development of religious experiences, physical growth, social/emotional growth, readiness skills (language, reading, math, science, etc.), creativity, and self-expression. Daily sessions will also provide a balance of group and individual activity, quiet and active periods, self-exploration, and teacher directed experiences. Naps and rest periods are not scheduled. There will be no swimming or water activities.

We believe preschool is not a substitute for home, but rather a compliment to home and family. Our program is designed to supplement the home in child guidance, teaching the child to live happily and usefully with others, by providing opportunities for sharing, taking turns, and considering the rights of others in an environment suited to the needs of the preschool child. We will ensure compliance with the Americans with Disabilities Act (ADA), including administering care procedures to children with disabilities and administering medication to children with disabilities if required.

ENROLLMENT

Open Enrollment begins in February for the following school year and will continue until individual classes are full. A completed OCP Registration Form and Registration fee will need to be mailed or delivered to the preschool office for your child to secure a position in a class. Parents will be notified of the class your child has been assigned. To complete the enrollment process, your child will be required to have a Child Enrollment Form (DCY01234), Immunization Record and Agreement Form before the first day of class. Additional forms may be requested concerning health or family situations.

LICENSING

Our center has been licensed to operate by the Ohio Department of Children and Youth (DCY) since 1979. The license certificate is displayed in the preschool hallway. This handbook offers an overview of our preschool rules. A toll-free number is listed on the license and may be used to report a suspected violation of the licensing law or administrative rules. The licensing rules governing child care are available for review online at <https://codes.ohio.gov/ohio-administrative-code/chapter-5180:2-12>.

Licensing records, including inspection reports, complaint investigation reports, and evaluation forms from the building and fire departments, are available for review upon written request from DCY. Early care and education program information and inspections are also online using the Child Care Search Tool on the DCY website at <https://childrenandyouth.ohio.gov/for-families/early-care-education/child-care-search>.

SCHEDULE

The school year will commence the week of Labor with a Parent Orientation and Meet the Teacher. After that time, we will follow the New Albany – Plain Local school calendar as closely as possible, including holidays and bad weather closings as broadcasted on the radio or local TV stations. In addition, our Facebook page will be updated if school closes. OCP will not close for in-service days or if New Albany schools close for a building problem, repair of buses, etc. If New Albany schools have a delayed start, we will open as normal. If schools close early, we will close when the schools close.

CLASSES

Each class is limited to 15 children for Pre-K, 14 for 3's, and 10 for Tot Time (2 ½ years) with a teacher and assistant teacher. The staff for each class includes individuals who have training in education and child guidance. A qualified substitute will take the place of the teacher in case of illness or other absence. Your child will be supervised at all times and rules of safety will be enforced.

MTWTF, TWTF, MWF 9:00-11:30 a.m. for children 4 years old and eligible for Kindergarten the next fall
MWF, TT 9:00-11:30 a.m. for children 3 years old and 2 years from Kindergarten

TT Tot Time 9:15-11:15 for children 2 by December 31 or Tuesday only for children 2 by March 1

SAMPLE DAILY SCHEDULE

9:00-9:30am Calendar, weather, pledge to the flag, Bible story, prayer

Group Interaction . . . follow directions, share ideas, increase attention span.

Religious Lessons . . . share our prayers, learn and dramatize Bible lessons and to know that God can be a part of our everyday lives and experiences.

9:30-10:15am Interest centers for readiness skills

Art . . . enhance fine motor coordination, creative and open expression as well as crafts

Manipulative Center. . . develop eye-hand coordination and fine motor skills (puzzles, clay and small toys).

Book Nook . . . explore beginning reading skills.

Dramatic Play. . . social interaction; playing with toy kitchen, tools, and costumes.

Game, Building Block/Toy Center. . . large and small muscle coordination, creative expression.

10:15-10:30am Clean-up, wash hands, prayer, snack

Snack. . . to help in the preparation, a social time for quiet talk.

10:30-11:00am Lesson, finger plays, songs, science, math, story

Music. . . for experiment of and appreciation for music through listening, singing and movement.

Science/Math. . . to discover the wonders of science and math concepts of numbers, shapes, matching, spatial relations, patterning, graphing.

Reading Books. . . to enjoy the written word and learn new ideas.

Pre-Kindergarten Skills. . . to help recognize the alphabet, colors, opposites, rhyming, sorting, sequencing, classifying, left/right progression.

11:00-11:30am Large muscle play

Big Muscle Coordination. . . using large motor areas both indoor and outdoor.

11:30am Dismissal – Children sent out to parent from classroom

PRESCHOOL BOARD

A board consisting of the chairperson of the preschool, the treasurer of the preschool, the church Christian Ministries Director, church members, preschool parents, and the preschool director governs our preschool. Treasurer is Gretchen Doyle, and Directors are Lynn Reid and Kristen Pietro. Parents for the Preschool Board are selected from those indicating a desire to serve with no more than one per class for a one-year term. A complete list of names and phone numbers will be distributed to each student. The board is designed to help make any decisions for the preschool concerning policies and procedures.

PARENT RESPONSIBILITIES

If you have any issues or concerns, it is best to first talk about it with your child's teacher or the person/persons involved, then the director, and finally contact a board member to help resolve an issue. Spreading criticism or having negative feelings about a situation will not improve the preschool and will not offer you comfort that there will be an action taken. Suggestions are always welcomed and should be made in an attempt to better the program. There may be a simple answer or solution, but assistance or changes can only take place when we are made aware.

As a courtesy and respect to our families, pictures taken at preschool events should never identify a child (besides your own) on any social media.

INFORMATION TO PARENTS

Rosters of the names, address, email, and telephone numbers of the parents or guardians of the children in your child's class will be given to you. A list of all children in the preschool is available by requesting one in the office. The roster will not include the name, address, email, or telephone number of any parent who requests that his/her name, address, email, and telephone number not be included.

A weekly newsletter will be emailed from your teacher to inform the parents of the topic and activities planned for your child's class. This keeps you in touch of what is happening in the classroom and an opportunity for you to reinforce at home. Notes may also be posted in the hallway by the class. Once a month a newsletter will be emailed that informs you of events for the entire preschool.

Like us on Facebook to receive new posts. Student pictures may appear on a post without identification. If you do not want your child to appear, please notify the office.

ARRIVAL AND DISMISSAL PROCEDURES

In an effort to keep our students safe, a limited access system is in place for the preschool and church entrances. The system allows for the lock-down of all doors in an emergency and provides safety from intruders wandering into the building.

Arrival will be curbside at the sanctuary doors facing Market Street, closest to Dublin Granville Road. Arrival time is 9:00 for morning preschool. Tot Time classes arrive at 9:15. Please arrive promptly. As cars arrive enter the parking lot on US-62 by the eye doctor or entrance closest to US-62 and proceed to form a line starting at the sanctuary doors continuing in front of the playground. The entrance closest to Dublin Granville Road is for exiting only. Please take your child out of the car in the circle and staff will escort your child in the building to their classroom. Children will wash hands upon arrival. If you arrive past curbside drop-off time, proceed to the glass doors on the north side of the building and push the button inside the first door on the right to announce your arrival.

Dismissal will be parent pick-up at the classroom door at 11:30 for morning classes. Tot Time classes dismiss at 11:15. Children will exit the classroom one child at a time to you. Teachers need to make this contact with the parent in order to ensure safety of the children. Parents will enter the sanctuary doors forming a line in the lobby and will continue down the hallway when teachers are ready for dismissal. Please pick up promptly. If you have lengthy comments for the teachers, it is advised to contact them by email or request a phone call or conference.

Parents are responsible for the supervision of their child before and after school while on the premises. If someone other than yourself is to pick up your child, please notify the teacher with a note or by email to the school and teacher. Submit to your child's teachers any legal custody agreements we need to be aware of to include in your child's file. We cannot release a child to anyone other than the regular ride without advance notice and permission. Identification may be requested before a child is released.

LIMITED ACCESS ENTRY

At times other than arrival and dismissal, parents will need to be buzzed in by entering the main glass doors located in the middle of the building. There is an intercom available at the main church entrance only for business with the preschool or the church. Enter through the first set of doors on the far right. The intercom is located on the wall to the right of the second set of doors. Please push the button and wait for an answer. Preschool staff will have access to the monitor. In most instances you will be talking directly with the OCP office personnel. If we are not available, a church member may reply.

PARKING LOT AND TRANSPORTATION

When arriving and departing, please drive slowly through the parking lot. Park in designated parking spaces only and be reminded handicapped spaces are for handicap permits only. Your motor should always be turned off and children should not be left when the vehicle is unattended. The person dropping off and picking up is responsible for the supervision of your child including hallways, playground, and parking lot. Please use caution when escorting your child through the parking lot and be considerate of church property. OCP does not provide transportation for the students.

BOOK BAGS

Your child should come each day with a book bag in which notes and projects can be taken home. It is very important for you to check it daily. If you have something to return to preschool, you may want to use the book bag to hold papers ready to give to the teacher upon arrival.

ATTENDANCE AND LATENESS

Consistent attendance is essential for your child to benefit from preschool. If your child will be absent, an email anytime to ocpnapreschool@gmail.com or call to the office at 614-855-4100 after 8:30 is appreciated. Arrival and departure should be within five minutes of the scheduled times for your child to receive the full benefits of class, to avoid distractions for the class and allow teachers time to set up or clean up. Any deviation must be arranged with the teachers. At the school's discretion, continual late infractions may result in asking your child to withdraw from OCP. Upon three (3) late notices, the following fee will be due the next class day by check or exact cash:

\$15.00 for the first 10 minutes (or fraction thereof)

\$15.00 for each additional 10 minutes (or fraction thereof)

PARENT VISITATION

The parent or guardian is permitted access to all parts of the preschool at the time of a preadmission interview and at any time thereafter during hours of operation for the purpose of contacting your child, evaluating the care provided, or evaluating the premises. Upon entering the preschool, visitors should notify the director or her assistant in the office of his/her presence. Any nonresidential parent will have the same access unless court documentation stating otherwise has been provided to us. Lobbies or chairs in the restroom are available for mothers who may want to nurse an infant.

We suggest visitations take place after the child has been enrolled for at least one month in order for the child, other students and teacher to be adapted to the new environment. We prefer advance notice for observations, but you are welcome to drop-in at any time. Please remember the teacher's first responsibility will be to the children.

PARENT VOLUNTEERING

Opportunities are available to volunteer in classes or to help maintain the quality of our environment. Class field trips, parties, and special days occur and are good times to plan a visit to help with your child's class. You may wish to present an occupation or hobby to the class. Each class will need a Room Parent who will be available to gather or distribute information to other parents of the class as needed. This person will also help with contacting parents to bring snacks for Class Parties and preparations for Teacher Appreciation Week. Teachers may also request parents to help with stories and activities or help prepare for projects. Maintenance volunteers can be used to repair furnishings, do sewing projects, help with cleaning, to name a few. Notify the office if you are able to volunteer.

CONFERENCES AND EVALUATIONS

Either parent or teacher may schedule conferences by mutual convenience. Although you can talk with the teacher at dismissal, this is not a good time for serious conferences. Please notify the teacher of joyous or sad happenings at home that may affect your child.

You will receive a Progress Report for your child three times during the school year – November, February and May. The mid-year evaluation will require a conference. A day has been allotted for this conference and you will sign-up for a convenient time. The last evaluation will be given to you at the end of the school year. If you desire a conference at any time, please contact the teacher. OCP does not report any assessments to DCY or other agencies.

CLOTHING

Please mark any removable clothing with your child's name. Children should wear clothing that is durable, comfortable, washable, and that is manageable at bathroom time. Select shoes that give support and allow freedom of movement for active play. Dress your child according to the weather. A complete change of clothing is to be sent daily. Please place shirt, pants, underwear, and socks in a zip-loc gallon bag and print your child's first and last name on it.

OUTDOOR PLAY

Classes may go outside daily with some exceptions. We will play in the Centrum (gym) in the event of rain, lightning, ice or when temperatures are below 25° with or without wind chill factor or in extreme heat. Considerations to determine if outside play is appropriate will also include, but not limited to humidity, ozone levels and pollen count.

MEDICATIONS

The staff is not permitted to administer routine medications, food supplements, modified diets or fluoride treatments. These should be given before or after preschool. If your child has severe allergic reactions or asthmatic conditions that could require an inhaler or medication in an emergency or any other condition requiring special medical procedures, your child's prescribed medical plan needs to be submitted along with consent in writing and reviewed with the teachers. Copies of the plan will be kept in the child's room, on file in the office, and shared with staff members. A signed form will be required if your child will need a topical product (lip balm or sunscreen) applied while at preschool. Administering medication and care procedures to children with disabilities will comply with the Americans with Disabilities Act (ADA). An Automated External Defibrillator (AED) is located in the sanctuary lobby by the restrooms.

ILLNESS AND COMMUNICABLE DISEASE

Teachers will observe children upon arrival in their class. If your child shows any signs of illness, please keep him/her at home and if they develop while at preschool your child will be cared for in another room or away from the children with a staff member until a parent or a designated emergency person listed can come and pick-up. A cot will be made available if needed and will be disinfected if used.

Signs and symptoms include: *temperature of at least one hundred degrees Fahrenheit when in combination with any other sign or symptom of illness, diarrhea (three or more abnormally loose stools within a 24 hour period), severe coughing, difficult or rapid breathing, yellowish skin or eyes, redness of the eye (with obvious discharge, matted, burning, itching), untreated infected skin patches, unusual spots or rashes, unusually dark urine and/or gray or white stool, stiff neck with elevated temperature, evidence of untreated lice, scabies or other parasitic infestations, sore throat or difficulty in swallowing, vomiting.*

Children mildly ill who cannot participate in all activities, including outside play, will not be permitted to attend until their health improves. All staff needs to be present for activities (especially outside) to guarantee the safety of all the children. Minor cold symptoms will be allowed in school as long as the child is able to participate, but will be sent home if symptoms worsen. This will also help keep the remainder of our preschoolers healthy. At least one staff member per class will be in attendance with current training in First Aid and CPR.

If your child should contract a communicable disease, including testing, notify the preschool as soon as possible. Your child will be readmitted when he/she shows no more symptoms of an illness for at least 24 hours and is stated to the teacher by the parent or note from a doctor.

A chart is displayed in the office that describes symptoms and information about common diseases. If your child has been exposed to a communicable disease, a note will go home notifying you. Staff members are asked to follow the same guidelines to be in attendance with the class and will be replaced by a qualified substitute if absent.

HEALTH

A Health Care Plan (DCY01236) and Immunization record is required for each child's file. The Health Care Plan must be received before the first day of class and be updated yearly. An updated Immunization record must be submitted annually. If your family chooses not to immunize for religious or health reasons, your child will still be allowed to attend.

Cleanliness of your child and the facility is important to avoid illness, and good hygiene will be practiced. Students and staff are required to wash hands upon arrival at preschool, after toileting or contact with body fluids as well as before eating. Rooms and tables will be cleaned and disinfected before and following each class. Smoking or vaping is not permitted inside the church building or during field trips.

The administrator and each employee of the preschool is required under Section 2151.421 of the Ohio Revised Code to report their suspicions of child abuse or child neglect to the local public children's services agency. Staff members have been trained in child abuse prevention.

SCHOOL SAFETY ZONE

Weapons (including but not limited to guns and knives) should not be on preschool premises. 9-1-1 may be called if a parent or student is found in possession of a weapon. Verbal threats of violence will not be tolerated and will be taken seriously. An instance of possession of a weapon or verbal threat will be discussed with board members and a decision will be made for possible suspension or expulsion.

SAFETY PROCEDURES

A person trained in First Aid, Recognition of Communicable Diseases and CPR will be available at all times. A telephone is available in the building for immediate access to contact a parent or guardian and any emergency number. Each staff member will be prepared and have knowledge of keeping your child out of harm's way during any emergencies and handling minor injuries.

Monthly fire drills sounded by a fire alarm and weather alert drills sounded by a whistle will be conducted so children will be prepared for these emergencies. Evacuation and medical/dental emergency plans are posted in each room and by telephones. Teachers are prepared for lock-down situations. Parents may be requested to pick-up early if there is an extended loss of power, heat or water. In the event the building and property would need to be evacuated, children will be escorted on foot to the Jewish Community Center. In any emergency situation, parents will be called as soon as possible.

SAFETY RULES

Our staff takes every precaution for your child's safety and we urge you to help your child respect preschool rules while entering and exiting the church (quiet voices and walking feet). Children will learn to use playground equipment safely and safety in the halls. Fire and tornado drills will be conducted. Your child will be supervised at all times and rules of safety will be enforced. Equipment will also be inspected for possible safety hazards. Use of spray aerosols is prohibited while children are in attendance. Syrup of ipecac will not be given in the case of a possible poisoning, but poison control will be called. Pictures of students may be taken by staff during class or special activities and may be used during preschool events or communication with parents without name identification. Parents may notify the office to request no photos be taken. Staff are prohibited from exposing children to inappropriate language, media or behavior.

INCIDENT/INJURY REPORTS

The supervising teacher will complete an Incident/Injury Report (DCY01299) any time there is an injury, bump or blow to the head, serious incident, or illness. The completed report will be presented and explained to the parent at dismissal and the parent will be asked to sign it. A copy will be given to the parent and one kept on file.

A signed Emergency Transportation form for each child will be obtained before the child begins preschool. If the injury or illness is more severe in nature, the emergency squad and the parent will be called immediately. A staff member will remain with the child until a parent arrives, and if necessary will accompany the child for emergency care along with the child's file including medical and family information. Staff members will not provide transportation, the EMS or parents must transport. Only parents will be allowed to transport their child to the hospital if permission by EMS has been denied.

CHILD GUIDANCE

All staff members will use discipline, not punishment. We will review the ground rules so children will know what acceptable and unacceptable behavior is. The teacher will guide the child by first talking over the problem, then giving choices and finally removal from the situation for a brief time. A "protective hug" for a short time may be used until the child regains control. After each occurrence, further discussion will take place with the child before going back to the group. Parents will be notified following class and a conference may be called in difficult situations.

When a child's behavior is unacceptable, the teacher shall not: *use abuse or neglect; use cruel, harsh, unusual or extreme techniques; use corporal punishment; delegate other children to discipline; use any restraint or confinement; humiliate, threaten or frighten a child; subject children to profane language or verbal abuse; make derogatory or sarcastic remarks; punish children for failure to eat or sleep or toileting accidents; withhold food, rest or toilet use; punish an entire group due to behavior of one or a few; or isolate children for a prolonged time period.*

The behavior of a child should not risk the health or well-being of anyone in the class. After an issue arises where a child harms another child, all parents of the children involved will be informed. If further action is deemed necessary, the teacher and a director will meet with the parents to develop a disciplinary plan. For the protection of your child, OCP reserves the right to suspend or expel a child who is by his/her behavior creating a disturbance (for example, but not limited to not following class rules, not respecting the play of other children, excessive crying) or health hazards (for example, but not limited to biting, hitting, kicking.)

SNACK

A snack will be served daily and will be supplied on a rotation by parents through a snack schedule. Snacks need to be nutritional and consist of fresh fruits or vegetables and a carbohydrate/grain such as muffins, popcorn, granola bar and crackers, etc. Please include utensils if required for eating the snack. All food should be prepackaged and individually wrapped, sending enough for one item per child and teachers in the class. Water will be served to drink with the snack.

Snacks should arrive in a plastic grocery bag or reusable bag and can be handed to a staff member during arrival. If for some reason you do forget your snack day or your child is absent, you will be required to provide a replacement snack with a shelf life to replenish our emergency snack. You may trade your snack day if you wish, but please inform the teacher so she may make necessary changes.

If you indicate a medically diagnosed food allergy on your child's medical statement form, you will be contacted to create a food safety plan for your child. We suggest that a snack with a shelf life be provided as an alternative in case the snack does not meet your child's restricted diet. Food restrictions will be noted on the class snack schedule to encourage others to avoid these foods.

We request NO CUPCAKES or other high sugar snacks please!!! They are very messy for the children to handle and for carpeted floors.

Consider serving these snacks that you can find individually packaged to our preschoolers: fruit snacks, applesauce, trail mix, crackers, Teddy Grahams, gold fish, granola bars, breakfast bars, muffins, popcorn, yogurt, gelatin, pudding. Fruits or vegetables can be placed in a snack or sandwich zipper bag, one per child and teachers in the class.

BIRTHDAYS AND HALF BIRTHDAYS

Birthdays are an important part of your child's life and can be shared as a preschool experience. Parents may bring a special snack on the snack day assigned close to their child's birthday to celebrate, but please avoid messy foods. We ask that you do not send favors or extra treats to be sent home; however, you are welcome to donate a book, children's CD, puzzle, etc. in honor of your child's birthday to the preschool.

If your child has a summer birthday, we will celebrate about six months prior to your child's birthday. You will be assigned a snack day that will be designated as a half birthday celebration, and the class will sing Happy Birthday at that time.

PARTIES AND SPECIAL DAYS

The children will have parties during their regularly scheduled class that is closest to Halloween, Valentine's Day and Easter. Teachers will plan special crafts, games and activities in celebration. We welcome you to let us know if you would like to help the teacher during the party and even share a story, game or song. The Room Parent will be responsible to organize the snack for these celebrations by asking class members to volunteer to bring in items (for example: food, drink, cups, napkins, etc.) We also ask no extra treats or favors be brought to school for the children to take home.

Preschoolers will share in other special days, such as the Thanksgiving Feast when children bring in food to share with the class. We encourage your participation during scheduled events such as the Christmas Program, special events for mothers, fathers or families, and the Pre-K Celebration. These are great opportunities to be involved with your child at preschool. Your class teacher will notify you of these dates in the weekly newsletter.

FIELD TRIPS

The children will be going on field trips during the preschool year, some with an entrance fee. A permission slip telling where and when your child will be going and the cost will be sent home shortly before a scheduled outing. This must be dated, signed and returned at least a day prior to the field trip along with any money that may need collected. All children must wear a name tag and their health/enrollment records will accompany them. Children must be properly restrained in accordance with Ohio Department of Public Safety in a restraint system or booster and must ride in the rear seat when going to and from the field trip.

Field trips are planned as a preschool function not a family outing. Please indicate your desire to go on a field trip as soon as possible and avoid last minute changes in plans. Siblings should not attend a field trip as your first responsibility is to any preschoolers assigned to you. Our liability or licensing does not cover extra children.

All drivers will need to confirm they have a valid Ohio driver's license and \$100,000/\$300,000 insurance coverage (even if you only transport your child). Teachers are not permitted to drive the children. Chaperones may be responsible for 3-4 children (if walking) and must sign a field trip agreement acknowledging our policies and responsibilities during a field trip. Entrance fees will be paid for by the chaperone. Smoking or vaping is not permitted during a field trip.

A person trained in First Aid, Detection of Communicable Disease, and CPR will be on the field trip along with First Aid supplies. Staff ratios will be maintained and teachers will be responsible for keeping a list of their class of children in attendance on the field trip along with their chaperone.

DONATIONS AND FUNDRAISING

Our preschool is non-profit and the only sources of income we have are registration fees, supply fees, tuition, fundraising and donations. Suggested supplies that we use all year and could be donated anytime during the school year include: markers, liquid glue, glue sticks, 5 oz. paper cups, napkins, paper towels, Kleenex, wet wipes, Lysol All Purpose liquid spray, antibacterial hand cleaner, paper plates (dinner and small), stickers, sandwich bags, zip-loc snack, sandwich or gallon bags, masking tape, beads, glitter, buttons, wiggle eyes, pipe cleaners, cotton balls, ribbon, yarn.

In January, 2012, the Gabriel Taylor Scholarship Fund was begun. Gabe was a student at OCP who was diagnosed with Osteosarcoma while attending and passed away at the age of 6 after a two year battle with the cancer. The fund begun in his memory helps OCP families who may face a catastrophic event while their child is attending our preschool by providing a scholarship towards tuition in an effort to help the family continue a sense of normalcy without worrying about paying full tuition. If at any time you wish to make a contribution to this scholarship fund, you may do so with a check or cash noted for "Gabe Taylor."

We hope you participate in our fundraising. These will be family-friendly products and no demands will be placed on preschoolers to sell a certain dollar amount or quantity. All proceeds will benefit programs of the preschool.

GOALS FOR AGE GROUPS

CHRISTIAN GROWTH

God created the world and all things we see, hear, touch, taste and smell in it
God loves and cares for each one of us
Jesus is God's Son and we celebrate His birth at Christmas and His resurrection at Easter
Jesus is our friend
We know God through the Bible and prayer

PRIMARY GOALS

Children have positive experiences
Children feel secure and loved
Families are interacted with in a caring way
Children are introduced to the wonderful world God has planned for them in a fun and exciting way

TOT TIME GOALS

Exposure to seeing their first name in print
Practice small motor skills such as coloring, gluing, cutting, painting
Learn self-control in a group situation, playing with others and using words to express feelings
Learn to count to five
Learn colors red, yellow, green and blue
Learn shapes circle and square
Introduction of scientific concepts
Begin learning letters of their name

YOUNGER PRESCHOOL GOALS

Learn to recognize their first name in print
Responds when name is called and will follow a direction
Remain seated and part of a group situation
Increasing ability to be an independent worker with less help from an adult
Increasing ability to communicate ideas and feeling using words
Learn how to share a toy and use appropriate words to solve conflicts
Gain control of small motor skills by coloring, gluing, cutting, painting and using the correct hand positions
Gain control of large motor skills by running, climbing, playing ball and jumping
Introduced to readiness concepts: matching, size discrimination, opposites, sequencing, sorting, rhyming, spatial relations, left/right, categorizing, patterning, graphing
Begin learning to say full name, address, phone number
Puts 3-4 piece puzzle together

Experiments and manipulates using scientific concepts
Learns upper and lower case letters, letter blends and word families
Begins recognizing the letters that form the written words we say and hear the sounds they make
Begins recognizing sight words

TUITION AGREEMENT

Tuition provides payment to our trained staff for their services as well as providing a quality environment for your child. As a parent/guardian having a child enrolled in the Outreach Christian Preschool; you agree to the following:

1. A \$50.00 registration fee (\$35.00 per additional child in family) must accompany the registration form. (This is not refundable unless all classes are filled at the time of application, and the applicant does not wish to be placed on the waiting list.)
2. The yearly tuition rate is payable in 9 monthly payments (September-May) for your convenience:
 - A. \$2,745 per year per child 5 day session (\$305.00 per month)
 - B. \$2,520 per year per child 4 day session (\$280.00 per month)
 - C. \$2,115 per year per child 3 day session (\$235.00 per month)
 - D. \$1,665 per year per child 2 day session (\$185.00 per month)
 - E. \$855 per year per child 1 day session (\$95.00 per month)
 - F. Lunch Bunch is \$50/month for 1 day/week, \$70/month for 2 days/week, \$90/month for 3 days/week, \$110/month for 4 days/week, \$130/month for 5 days/week
 - G. Extended Day is \$120/month for 1 day/week, \$200/month for 2 days/week, \$270/month for 3 days/week, \$330/month for 4 days/week
3. September's tuition and supply fee are due by August 4 for those who have registered before that date. For those registering after that date, tuition and supply fee will be due upon placement in a class. Last tuition will be due May1.
4. Beginning in October through May, monthly payments are due the first class day of each month. Reminders will be sent home if not paid by this time. Payments made after the 15th of the month should include a \$25.00 late fee. (Exception to this is if previous arrangements have been established with the preschool Treasurer, Gretchen Doyle). Payment may be made for multiple months if desired (please indicate the months which are being paid). You will be responsible for any returned check fees. Our Tax ID is 35-2237794 if required for tax purposes.
5. Past due tuition by more than one month shall be payable upon notification by the Treasurer. It is imperative you contact the Treasurer if you miss a month's tuition to make arrangements for payment. NO PAYMENT WILL RESULT IN YOUR CHILD BEING ASKED TO WITHDRAW FROM THE SCHOOL UNTIL PAYMENT IS MADE.
6. If for some reason you need to withdraw your child, written notice must be given 30 days in advance or tuition for the next month will be due. Tuition will not be prorated for leaving in the middle of a month. Please request a form in the office.
7. For families who may need to leave the preschool during the year for more than a month but plan to return, your child's position in a class will be held if payment is made for the time that will be missed. No payment means your child's position may be filled by a new student who wishes to enroll.
8. Upon three late notices, a \$20.00 fee will be assessed for every 10 minutes your child remains past dismissal time. The late fee will be remitted by check or exact cash on your child's next class day.

It is understood that tuition is not contingent upon the number of class days in any month and is not refundable. Exceptions will be considered through special arrangements made with the Preschool Board. It is further understood that there will be no refund or reduction made for holidays, emergency snow days, vacations or illness. The Board will discuss make-up days missed due to calamity days.

Gretchen Doyle is our Treasurer and the only person who will handle tuition and is available to discuss any concerns about payment. Please contact her with any financial matters that may arise. These discussions will be confidential. You may reach her by email gmdemd@gmail.com

Deposit checks in the locked box in the hallway by the office door. Make checks payable to OUTREACH CHRISTIAN PRESCHOOL with your child's name on the memo line. We encourage you to set up automatic monthly check payments through your bank to be mailed directly to OCP, P.O. Box 394, New Albany, Ohio 43054. Cash should be taken to the preschool office so that a receipt may be obtained.

PLEASE DO NOT SEND CHECKS OR CASH IN YOUR CHILD'S BOOK BAG.

TOT TIME AMENDMENTS

Tot Time will follow the rules and regulations of our Preschool Handbook with some changes in times of classes and scheduled events. Children must be at least 2 ½ years old to be eligible or 3 years old and will not attend Kindergarten for 3 more years. The purpose of Tot Time is to provide time to interact with children of their own age as they play, as well as participating in art projects and short group times with Bible story, songs, stories and discussion of age appropriate skills.

SAMPLE DAILY SCHEDULE (as children are ready)

9:15 – 9:30	Attendance, Calendar, Weather, Bible Story, Prayer
9:30 – 10:15	Free Play, Art Project
10:15 – 10:30	Wash Hands, Snack
10:30 – 10:45	Lesson, Story
10:45 – 11:05	Large Muscle
11:05 – 11:10	Songs
11:10 – 11:15	Ready for Home
11:15	Dismissal

CLASSES

Classes are limited to 10 children led by a teacher and an assistant with training in education and child guidance. A qualified substitute will take the place of the teacher or assistant in case of illness or other absence.

Tuesday-Thursday 9:15-11:15 for children who turned 2 by December 31.

Tuesday 9:15-11:15 a.m. for children who turned 2 by March 1.

A new class may begin in January for children who turn 2 in the spring and early summer or were unable to enroll in the fall. The day will be determined by interest of families, room and staff availability.

PROCEDURES

Staff will escort your child into the classroom upon arrival. At dismissal you will pick your child up at the classroom door. Please bring a change of clothes (shirt, pants, underwear and socks) in your child's book bag each class day. If your child is in pull-ups, please include two pull-ups and wipes. These will not be changed unless a bowel movement occurs. A bathroom is available for continued success in practicing bathroom skills.

FIELD TRIPS AND SPECIAL DAYS

There will be no field trips for Tot Time. Holidays will be observed with class parties and will be scheduled on the calendar with no parent helpers. The children will be participating in special events with their class and parent participation during a Christmas Program.

SNACK

Take precautions as you plan snack for the Toddlers. Not all of them may be able to chew as well as your child. Please do not send those items that are easily choked on such as peanuts, whole grapes, carrots, celery. Snack should be something nutritious to eat. Water will be provided with snack. NO CUPCAKES PLEASE or other high sugar snacks!!!
